## EASTER BREAK

Hang in there, a break is just around the corner! Break starts the end of the academic day on March 26th and goes through April 5th. Classes resume the 6th.

## COVID UPDATES

If you are curious about when you are eligible for the COVID-19 vaccine, there's an app (kinda) for that now! The link below is for the Minnesota COVID-19 Vaccine Connector. It is a tool that helps Minnesotans find out when, where, and how to get a COVID-19 vaccine. I've also attached information about ND's vaccine locator!

## REGISTRATION PREP

While April seems far away, it will be here before you know it! Start looking over your DegreeWorks and talk with your advisor to map out classes you might be interested in taking next semester. You have more choices with classes this time around, so make sure you check out all the options when they become available on Banner!
